Grievant's Response to Grievance Officer's ReportDate Received: 3/ 05 / 2008

Response: What is not comprehended is that grievant's action (swinging back after being swung at) was executed because he had no other choice. Grievant was forced to secure himself when to inform the staff that another inmate plans to initiate a fight with him is not the kind of action that is desirable by either staff or fellow inmates, as that action labels one as a 'stool pigeon.' To be labeled as a stool pigeon would only increase grievant's possibility to sooner or later be assaulted. It is a fact that it was Abdul Robinson's agenda to have Rickey Robinson(grievant) removed from his assignment by any means necessary. That agenda was carried out December 25th 2007 and supported unconsciously by the adjustment committee and the grievance Officer as herein attached. Grievant simply wants to be able to hold another job assignment without having to wait two years! Please take notice to the last paragraph of grievant's grievance.

Several times that he was quite "going to jag my job off."

On December 25<sup>th</sup> 2008, at approximately 5:00 p.m. at Unit-B, I was finishing up my job when "ARNUL ROBINSON" took a swing at me and missed. While off balance and caught off guard my natural reaction as a means to defend myself, I swung back and missed. "C/o Smith" of the 3-11 movement team, quickly diffused the situation before it could be taken further by subduing "ARNUL ROBINSON". Lt. Tyola, "C/o Smith" and several other officers were all present.

ABDUL ROBINSON was placed in segregation after the incident while I was placed in Investigation the following day. 1-3-68 ~~1-3-68~~ I was interviewed by "Salvador Rodriguez" and told by him to write certain things on the interview sheet pertaining to our interview, which lead to that interview having on record the sole statement that ABDUL swung at me and I swung back. (See IOR Dated 1-17-68. I do not have a copy to attach, but) (it can be found <sup>on gr in my file</sup> ~~in the original tracking system.~~)

I received this Disciplinary Report in which I am appealing on 1/23/08. Today i.e. 1/24/08 I went before the adjustment Committee and submitted a written statement as a means to deter from being misquoted. Though the statement was accepted it was not reviewed. MS. Cleo Johnson on the Adjustment Committee simply says that even though I was not the aggressor or initiator, swinging at each other with or without contact is a fight. ~~See~~ (see attached copy of written statement)

I never intended to or wanted to engage "ABRAHAM ROBINSON" or anybody else for that matter. All available Staff Reports, interview sheets on file with the Stateville Correctional Center system, my written statement can & will substantiate that fact. It is completely unfair to allow inmate aggressors to pick fights with whom they determine should lose their jobs, as well as a loop hole used to undermine the security & disrupt the order of the institution. With all of the above facts taken into consideration it is my sincere hope that this power be taken from vindictive aggressors by dismissing and Expunging the Disciplinary Report making me eligible to receive another assignment/job.

## RECORD OF PROCEEDINGS

Inmate present, hearing conducted. Inmate Robinson stated that he was working that day, and stated that a guy swung at him and he swung back.

## BASIS FOR DECISION

Inmate Robinson admitted to being involved in a physical altercation during the time of this incident. The reporting officer indicated in the report that as a result of an investigation it was determined that inmates Robinson K82958 and Robinson K80822 were involved in a physical altercation. During said investigation both inmates Robinson K82958 and Robinson K80822 were interviewed and at which time both self admitted that they attempted to engage in a physical altercation by swinging their fists at each other. This altercation was brought on due to an ultimatum that was given to Ricky Robinson by Abdul Robinson regarding returning some property and Ricky Robinson spitting on him (Abdul) as stated in the report. This committee is satisfied with all finding of said investigation in that both inmates Robinson K82958 and Robinson K80822 did in fact attempt to violate the charge cited.

# WRITTEN STATEMENT (COPY)

From: Ricky Robinson-EI #K82968  
 Offenses: 601-attempt/conspiracy; 301-fighting

Date of Report: 1-17-08  
 Date: 1-23-08  
 To these charges: NOT GUILTY

## Statement of Facts

The Disciplinary Report states that I "RICKY" and "ABDUL" admitted that we attempted to engage in a physical altercation by swinging our fists at each other. The Report also indicates that ABDUL initiated the fight. What is being constituted as a fight in this case are "No contact" swings!

## Argument

"Attempting to engage" is the language pertaining to the aggressor i.e. only the aggressor can engage as the initiator. In my interview under investigation I made the sole statement that "after buffing & sweeping the floor," I was picking up the extension cord & buffing pad when I observed ABDUL take a swing at me. While off balance and dropping the cord & pad I swung back and missed. Taken off guard by a swing from ABDUL my natural reaction was a wild swing back as a attempt to defend myself. Officer "MR. Smith" on the 3-11 movement team quickly grabbed and wrestled with ABDUL to subdue him, while I humbly (on my own) stood against cell B-223. This show and prove that ABDUL was the aggressor attempting to engage me. Both Lt. Ivola & C/O Smith can and will support this statement.

## Conclusion

I have worked as cellhouse help in B-House since 2006, got along with staff and did my job and more to aid in the upkeep of the cellhouse. I hope to continue working and that the adjustment committee's finding will be that of a NOT GUILTY verdict based on the above facts.

Offense(s): DR 504: 601-attempt or conspiracy; 301-fighting

**Observation:** (NOTE: Each offense identified above must be substantiated.) As a result of an investigation that concluded on 01/17/08, it was determined that ROBINSON, RICKY attempted (601) to violate institutional rule 310-fighting.

Information was received that inmate ABDUL ROBINSON referred throughout this IDR as "ABDUL" was involved in a fight with another inmate identified as RICKY ROBINSON K82958 referred throughout this IDR as "RICKY". This incident occurred on 12/25/07 and the reports indicate that RICKY was "assaulted" by ABDUL. The Offender Tracking System also indicates ABDUL was placed in segregation and RICKY remained in the cell house after the incident. As a result of an investigation and interviews with inmates ABDUL and RICKY, who both self admitted, attempted to engage in a physical altercation by swinging their fists at each other. This occurred when the institutional meal was being served and while the inmates housed on eight gallery were exiting the building. ABDUL initiated the fight due to an ultimatum that he gave RICKY about returning property in "24hours" and for also spitting on him as indicated in a report (DC434) submitted.

A copy of the interview sheets is on file with the Stateville Correctional Center Intelligence Unit. END OF REPORT.
